

Dear Landowner,

On behalf of Birds New Zealand, I would like to sincerely thank you for allowing me to access your property to survey birds for the *New Zealand Bird Atlas*.

Having the support of landowners such as yourself is crucial to the success of our project. Your support ensures that we can develop a comprehensive understanding of nationwide patterns in bird distribution and habitat use. This information will in turn help to guide the conservation management of New Zealand's birds at both national and regional scales, for decades to come.

Please feel free to contact me if you have any questions about my visit(s) to your property, or the New Zealand Bird Atlas project. Alternatively, you are welcome to contact the New Zealand Bird Atlas National Coordination Team at [nzbirdatlas@wmiil.co.nz](mailto:nzbirdatlas@wmiil.co.nz) with any questions or queries about the project, or you can visit <https://birdatlas.co.nz/> for more information.

Thank you again for your help and cooperation.

Yours Sincerely,

**Name of Atlas volunteer**
